

Overview

Fearful that her ailing father will be drafted into the Chinese military, Fa Mulan takes his spot - though, as a girl living under a patriarchal regime, she is technically unqualified to serve. She cleverly impersonates a man and goes off to train with fellow recruits, including a dedicated leader, Li Shang. She uses her smarts to help ward off a Hun invasion, falling in love with her captain along the way, and bringing honor to her family.

The intended audience is everyone from children to adults, with only mild references to violence.
